- 5. GREAT ATTITUDE!**

Volunteer Opportunities

Each year our program could not do the things it does without the help of parents volunteering. Some volunteering is for the Centerville Booster program and some things are more directly for the team. However you choose to volunteer – THANK YOU!

Boosters: work concession shifts at home football or soccer games. Contact Mary Harbach @ 435-0091 for more information.

Team: numerous opportunities to help with the Banquet, taking pictures, making the Team Video, purchasing chocolate milk, or host a Spaghetti Dinner. Contact Coach Dobson @ 902-9058 for more information.

Centerville Stampede: this is our largest moneymaker and the team counts on all family members to help. Please keep Saturday, October 8th open to volunteer. More information on how to volunteer will be posted on the website in early September.

THANK YOU!
