**Packet Pick-Up:** Coaches packets and timing chips will be available to be picked up at the large yellow and white tent to the northwest of the stadium.

**Spike Length:** Since the course hits our track three times, we are asking ALL coaches to help us enforce the 1/4 inch spike rule for this meet. There are no major uphill in this meet, there is no mud, there is no long grass, and realistically there is no need for anything longer than a 1/4 inch spike.

**Traffic:** The school driveway is one way. Tell your bus drivers that the entrance is on the right approximately 1 mile from State Route 48. Franklin Street is a two-lane road through downtown Centerville heading eastbound. Have your bus drivers stay in the right lane.

**Bus Parking:** The buses will drop off athletes behind the school next to the stadium. The buses will then be routed to designated bus parking areas at two local schools or a nearby retirement community. There will be portable restrooms available at each parking area as well as trash receptacles. Bus drivers will be provided a map while entering. ***I strongly encourage bus drivers and coaches to exchange cell phone numbers.***

**Spectator Parking/Admission:** There is an admission/parking charge to park at CHS and is completely digital. NO CASH. The parking ticket is \$10. **ONE TICKET PER VEHICLE.** There is not an individual admission fee once inside the high school grounds. We will have parking attendants charging the fee before you enter the parking lots.

**Spectators:** No spectators are allowed on the track or field turf areas. Each team will be given coaches' passes and photographer passes for these areas. The best viewing location is in the football stands. The visitor side stands will not be open. No spectators are permitted on the farm. Spectators are asked to refrain from standing along the railing of the stadium. *There will be a **handicap accessible area** of the stadium on the south end of the stadium.*

**Coaches Passes:** Each team can pick a pass for each coach on your staff when picking up your packet. This pass will allow you access to the track as well as one meal item, and one side item from concessions. Water for coaches will be available at the center of the football field for all coaches.

**Course Inspection: Please note that the farm and the track area will be closed to everyone at 5:25 PM.** Course inspection must be completed prior to this time.

**Concessions, Restrooms, and Water:** Both are available under the football stadium. Additional portable

restrooms will also be available closer to the team camps and starting line. A water station will be available at the finish line area.

**Trainers:** Athletic trainers will be located at the finish line. An **EMT** may be stationed by the hill. A sports medicine doctor will be available throughout the entire event. **Please have your athlete's inhalers available on quick notice if they are needed.**

**T-Shirts:** T-Shirts will be sold under the yellow and white striped tent. \$15 for short sleeve and \$20 for long sleeve.

**Team Camps:** Camps are permissible between the stadium and the parking lots as well as the baseball outfield. Middle School teams are encouraged to use the grassy locations between the parking lot and stadium while high school teams are encouraged to use the baseball outfield. **DUE TO A SPRINKLER SYSTEM, NO TENT STAKES MAY BE USED ON THE BASEBALL OUTFIELD. PLEASE RESPECT THE FLAGGED OFF AREAS OF THE BASEBALL FIELD. SECURITY CAMERAS HAVE BEEN INSTALLED AND TEAMS WILL BE HELD RESPONSIBLE.**

**Chip Timing:** This meet is scored utilizing chip timing. Your packet will contain chips and a numbers for your athletes. Make sure the chip and number are assigned to each athlete. Please update your rosters before the deadline and delete anyone not running because we also pay for unused chips. After the runner finished, he/she will put the timing chip in the bucket by the finish line. Please return any unused chips from your packet.

**1 Mile and 2 Mile Splits:** There will be a mat at the end of the mile and two mile marks taking splits of runners. These splits will also be available in the results on [finishtiming.com](http://finishtiming.com).

**REMIND Message:** In order for meet management to communicate quickly with any/all coaches, please sign-up to receive Remind messages. This will be used to communicate inclement weather decisions, athlete emergencies, etc. Text 81010 the message @21snl

**Social Media:** Follow us on Twitter @CentervilleSNL and use #SNL #snlprgong

**PR GONG:** Returning this year is the PR GONG! Athletes receiving a PR at #SNL2021 can ring the PR GONG. Inside the coaches packets are cards that must be filled out by the coach and presented in order for the athlete to ring the gong one time. Don't forget to take a picture!

**Comments or Questions:** We strive to run the very best meet possible and improve it every year. If you have any questions, comments, or ideas for improvement for the race coordinators please contact David Dobson via email: [dobsonda@sbcglobal.net](mailto:dobsonda@sbcglobal.net) or cell phone: (937) 902-9058 or Casey Clark via email: [casey.clark@centerville.k12.oh.us](mailto:casey.clark@centerville.k12.oh.us) or cell phone: (937) 602-2546.
